Keeping potential: **0-2 years**

Residual sugars: **9g/L approx.**

Sweetness: 

Appellation: **AOC Alsace**

IDENTITY

The Muscat grape variety produces a very fresh and aromatic wine that gives the impression of biting into a fresh grape.

ON TASTING

Golden yellow in colour.

The nose is powerful yet delicate, exuding very clear aromas of grapes, orange blossom and jasmine.

The attack on the palate is fruit-laden and crisp.

FOOD & WINE PAIRING

A perfect match for asparagus and vegetarian dishes, as well as a great partner for aperitifs.
